

# Our Days in 2A

November 14th, 2014

This week I have been doing some oral testing and reading with the children for report card preparation next week. Please remember to encourage your child and .....

1. Study spelling words and memory verses each week. It really does help!
2. READ, READ, READ stories often and together as a family. This will help your son/daughter gain some confidence when reading out loud to me. Question and talk about what you have read together too. Make reading enjoyable and exciting!

## CRAFT SALE TOMORROW

As a school community we hope you can come out and start some Christmas shopping at our school. Thank you for all the great treats for the 2A "Jar Bar".

Many wonderful items did come in during the week.

It is a full jar!!

The class was excited about it and said they hoped to win the one we created!

Good luck 2A!

I hope you are a winner!

## Winter Clothing

'Tis the season to stay warm and cozy. Please make sure you label all "winter" clothing items for school. It makes returning them to their owner so much easier and many children have the same items. Thank you!

Blessings,

November Memory Verse  
My dear brothers, take note of this:  
Everyone should be quick to listen,  
slow to speak  
and slow to become angry,  
for man's anger does not bring about  
the righteous life  
that God desires.
